

Our rental policy is as follows:

- **We require payment for the rental at time of pickup. This payment can take the form of a company check, cash or credit card (visa, amex or mastercard only, please) (the owner of the card must be present)**
- **We require a valid California driver's license (or California ID) to be given at time of pickup with the owner of the ID present (no phone/fax confirmations)**
- **We require a deposit to be left for the rental equipment. The deposit can be in one of two forms:**
 - **A credit card deposit (amex, visa, or mastercard—no check cards will be accepted for the deposit) in the amount of \$200 (this amount may increase if a sufficient value of gear is exceeded). As with the ID, the owner of the card must be present.**
 - **A certificate of insurance listing Hollywood Sound Systems as “additional insured and loss payee with regards to rented sound equipment”—a sample certificate can be faxed upon request.**
 - **If a certificate is used as the deposit, we will require a company check in the amount of the deductible listed on the policy—if no deductible is listed, we will require a company check of \$1000 in addition to the policy. In either case, any deposit check will be returned upon the satisfactory completion of the rental.**

If delivery is requested, we will require a person to come to our location and comply with the above policy prior to delivery. This can be done any number of days in advance.
